

JENNIE M. KUCKERTZ

San Diego State University / University of California, San Diego
Joint Doctoral Program in Clinical Psychology
6386 Alvarado Court, Suite 301, San Diego, CA 92120
Office Phone: 619-229-3740, Email: jkuckertz@sdsu.edu

EDUCATION

- 2012-Present Ph.D. in Clinical Psychology (in progress)
Joint Doctoral Program in Clinical Psychology, San Diego State
University/University of California, San Diego
- 2014 M.S. in Psychology
San Diego State University
- 2010 B.A. in Psychology/Sociology (Minor: Theology and Religious Studies)
University of San Diego
Summa Cum Laude

UNIVERSITY HONORS AND AWARDS

Anxiety and Depression Association of America Alies Muskin Career Development
Leadership Program 2017
SDSU/UCSD Joint Doctoral Program Dorathe Frick Memorial Award 2015
UCSD Grad SLAM Competition, 3rd Place 2015
Distinguished Graduate in Psychological Sciences Award 2010
Community Service Learning Scholar Award 2010
University Ministry Student Servant Leader Award 2010
Senior Class Legacy Scholarship 2009-2010
Bishop Maher Leadership Scholarship 2009-2010
Author E. Hughes Endowed Scholarship 2008-2010
Dean's List, First Honors 2006-2010

FUNDING AWARDED

- 2015-2018 Behavioral and Neurobiological Mechanisms of Treatment Response in
Pediatric OCD
National Institute of Mental Health (F31 MH107176-01, PI: Kuckertz)
Sponsor: Nader Amir
Collaborator: John Piacentini; Consultant: Greg Hajcak
Amount awarded: \$90,900
- 2016 Structural Equation Modeling ATI Travel Fund Award
American Psychological Association Science Directorate
- 2015 Event-Related Potential Boot Camp, UC Davis Center for Mind & Brain
National Institute of Mental Health (R25 MH080794 09, PI: Luck)

Amount awarded: full scholarship

- 2012-2015 Graduate Student Travel Fund Awards
University of California, San Diego
- 2009 Summer Undergraduate Research Experience
University of San Diego
Amount awarded: \$7,300
- 2009 Associated Students Research Grant
University of San Diego
Amount awarded: \$915

PRESENTATIONS

Symposia and Colloquia:

Kuckertz, J. M., Najmi, S. & Amir, N. (2016, October). Examining trajectory of anxiety in exposures sessions to predict symptom reduction. In E. Marks (Chair), *A translational perspective examining mechanisms that may enhance or impair extinction learning and exposure therapy*. Symposium conducted at the Annual Conference of the *Anxiety and Depression Association of America*, New York, NY.

Carmona, A. R., Kuckertz, J. M., & Amir, N. (2016, April). Working memory, error-related negativity and anxiety. In K. J. Hsu (Chair), *Dissecting the impact of cognitive control and cognitive biases on affective disorders*. Symposium conducted at the Annual Conference of the *Anxiety and Depression Association of America*, Philadelphia, PA.

Kuckertz, J. M., Carmona, A. R., Suway, J. G., & Amir, N. (2015, November). Event-related potential correlates of attentional processes in anxiety. In R. Price (Chair), *Beyond reaction time bias: Neural, physiological, ecological, and clinical correlates*. Symposium conducted at the 2015 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Chicago, IL.

Kuckertz, J. M., Brown, I., Chang, S. W., Piacentini, J., & Amir, N. (2015, November). The role of family environment in attention bias modification for clinically anxious youth. In N. Allan (Chair), *Psychosocial considerations in interventions for transdiagnostic risk factors of anxiety*. Symposium conducted at the 2015 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Chicago, IL.

Kuckertz, J. M., Chang, S. W., Piacentini, J., & Amir, N. (2015, November). Factors influencing mechanisms of attention bias modification. In C. Beard (Chair), *Changing minds via cognitive bias modification: Expanding to new populations and settings*. Symposium conducted at the 2015 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Chicago, IL.

Amir, N., Stoermann, A., Chen, X., Strega, M., & Kuckertz, J. (2015, May). An adaptive and reliable method of training attention in social anxiety disorder. In A. Harvey (Chair), *Mechanism-focused treatment development: Applying the NIH's 'Experimental*

Therapeutics Approach. Symposium conducted at the 2015 Annual Convention of the Association for Psychological Science, New York, NY.

Kuckertz, J. M., Amir, N., Boffa, J., Warren, C. K., Rindt, S. E. M., Norman, S., Ram, V.,...Webb-Murphy, J. (2014, November). The effectiveness of an attention bias modification program as an adjunctive treatment for post-traumatic stress disorder. In J. M. Kuckertz & N. Amir (Chairs), *Maximizing the effects of attention bias modification (ABM) for anxiety: How and for whom ABM works*. Symposium conducted at the 2014 Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Carlbring, P., Kuckertz, J. M., Gildebrant, B., Liliequist, B., Karlström, P., Våppling, C.,... Andersson, G. (2014, November). Internet-delivered attention training for SAD: Who responds and why. In J. M. Kuckertz & N. Amir (Chairs), *Maximizing the effects of attention bias modification (ABM) for anxiety: How and for whom ABM works*. Symposium conducted at the 2014 Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Kuckertz, J. M., Carmona, A. R., Johnson, O. E., Suway, J. G., Chang, S., Piaceninti, J., & Amir, N. (2014, November). Attention bias modification as a primary intervention for clinically anxious youth. In J. M. Kuckertz & N. Amir (Chairs), *New extensions of cognitive bias modification for youth anxiety*. Symposium conducted at the 2014 Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Amir, N., Stoermann, A., Strege, S. V., & Kuckertz, J. M. (2014, November). An adaptive and reliable method of training attention in SAD. In A. Nelson (Chair), *Drawing on the strengths of experimental cognitive paradigms to understand and modify anxiety-related attentional biases to threat*. Symposium conducted at the 2014 Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Kuckertz, J. M., Carmona, A. R., Johnson, O. E., Chang, S., Piaceninti, J., & Amir, N. (2014, April). The relationship between automatic action biases in clinically anxious children and their parents. In J. M. Kuckertz & N. Amir (Chairs), *Aberrant information processes implicated in youth emotional disorders: The role of parental factors*. Symposium conducted at the 2014 Annual Conference of the Anxiety and Depression Association of America, Chicago, IL.

Amir, N., Boffa, J., Kuckertz, J., Frosio, K., Strege, M., Kinney, K., & Conley, S. (2013, November). Modulation of the emotional cue validity effect by transcranial magnetic stimulation in generalized social phobia. In R. McNally (Chair), *SAD: New insights from the laboratory for the clinic*. Symposium conducted at the 2013 Annual Convention of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Amir, N., Frosio, K., Boffa, J., Kuckertz, J. M., Stoermann, A., & Strege, S. (2013, November). Beyond basic modification of attention: An adaptive ABM and its neural correlates. In R. Price (Chair), *Neural mechanisms of attention bias and attention bias modification: Cognitive neuroscience meets cognitive-behavioral theory*. Symposium

conducted at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.

Boutelle, K., Kuckertz, J., Carlson, J., & Amir, N. (2013, August). A one-session attention modification training to decrease overeating in obese children. In J. Temple (Chair), *Early-life influences in ingestive behavior*. Symposium conducted at the 2013 Annual Meeting of the *Society for the Study of Ingestive Behavior*, New Orleans, LA.

Kuckertz, J. M., Najmi, S., Johnson, O., Chang, S., Piacentini, J., & Amir, N. (2013, July). Assessment and modification of automatic action tendencies in anxiety. In D. Kavanagh (Chair), *Assessing and changing approach- and avoidance action tendencies across disorders: New perspectives*. Symposium conducted at the 7th World Congress of Behavioural and Cognitive Therapies, Lima, Peru.

Kuckertz, J. M., Carlbring, P., & Amir, N. (2013, April). The mediating effect of attention bias in assessing maintenance of treatment gains in generalized social phobia. In H. J. Dour (Chair), *Longitudinal mediation analysis in treatments for emotional disorders*. Symposium conducted at the 2013 Annual Conference of the *Anxiety and Depression Association of America*, La Jolla, CA.

Amir, N., Najmi, S., Kuckertz, J., Conley, S., & Strega, M. (2013, April). Enhancement of self-conducted ERP for OCD using cognitive bias modification. In A. E. Meuret & Rothbaum, B. (Chairs), *Technology-supported treatments for anxiety: Efficacy, mechanisms, and novel applications*. Symposium conducted at the 2013 Annual Conference of the *Anxiety and Depression Association of America*, La Jolla, CA.

Kuckertz, J. M., Conley, S. L., & Amir, N. (2012, November). Using psychophysiological data to triangulate on the role of attention biases in social anxiety. In K. Arditte (Chair), *Attentional bias modification: Novel methodology and objective measures of behavior change*. Symposium conducted at the 2012 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, National Harbor, MD.

Najmi, S., Kuckertz, J., Conley, S., Frosio, K., & Amir, N. (2012, November). Enhancement of self-conducted exposure and response prevention for OCD using cognitive bias modification. In R. J. McNally (Chair), *OCD: New insights from the laboratory for the clinic*. Symposium conducted at the 2012 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, National Harbor, MD.

Amir, N., Frosio, K., Kuckertz, J. M., Boffa, J., & Najmi, S. (2012, November). The interaction of neural and behavioral influences on attention training in social anxiety. In R. Price (Chair), *Principles of neurobehavioral change during cognitive training: Advancing personalized treatment by validating neural mechanisms*. Symposium conducted at the 2012 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, National Harbor, MD.

Amir, N., Frosio, K., Kuckertz, J. M., Najmi, S. (2012, November). The role of components of attention in individuals with GAD. In B. E. Wisco (Chair), *Attentional biases across the*

emotional disorders. Symposium conducted at the 2012 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, National Harbor, MD.

Kuckertz, J., Prouvost, C., Najmi, S., & Amir, N. (2011, November). Effects of approach-avoidance training on a behavioral test of contamination-related symptoms. In A. J. Ouimet & A. Radomsky (Chairs), *Implicit cognition in anxiety: Development, maintenance, and treatment*. Symposium conducted at the 2011 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Toronto, ON.

Amir, N., Kuckertz, J., Taylor, C., & Donohue, M. (2011, May). Predictors of response to an attention modification program in anxiety. In B. A. Teachman & S. A. Steinman (Chairs), *Using the tools of cognitive science to advance clinical theory and practice*. Symposium conducted at the 2011 Annual Convention of the *Association for Psychological Science*, Washington, D.C.

Kuckertz, J. (2010, April). The practical case against the death penalty: An examination of the costs and deterrence arguments. Paper presented at the 2010 Annual Meeting of the *Pacific Sociological Association*, Oakland, CA.

Kuckertz, J. M., & McCabe, K. M. (2009, November). Factors affecting teens' attitudes towards their pregnant peers. Paper presented at the Fall 2009 Department of Psychological Sciences Student Research Colloquium Series, University of San Diego, San Diego, CA.

Posters:

Kuckertz, J. M., Strege, M. V., & Amir, N. (2016, April). Treatment attitudes predict mechanistic and symptom change in an adaptive attention bias modification program for social anxiety disorder. Poster presented at the 2016 Annual Conference of the *Anxiety and Depression Association of America*, Philadelphia, PA.

Carmona, A. R., Kuckertz, J. M., & Amir, N. (2015, November). Benign bias as a predictor of task success in GAD: The moderating role of ethnicity. Poster presented at the 2015 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Chicago, IL.

Chen, X., Suway, J. G., Kuckertz, J. M., & Amir, N. (May, 2015). A causal role of fast rejection to threat interpretation in cognitive bias modification for interpretation. Poster presented at the 2015 Annual Convention of the *Association for Psychological Science*, New York, NY.

Stoermann, A. M., Kuckertz, J. M., & Amir, N. (2014, November). Attentional biases in GAD response latency and accuracy: The role of information. Poster presented at the 2014 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Philadelphia, PA.

Carmona, A. R., Kuckertz, J. M., Chang, S., Piacentini, J., & Amir, N. (2014, November). The moderating role of parental accommodation on the relationship between parental

distress and child anxiety. Poster presented at the 2014 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Philadelphia, PA.

Carmona, A. R., Kuckertz, J. M., Chang, S., Piacentini, J., & Amir, N. (2014, November). Youth anxious cognitions and parental symptomology: The moderating effect of youth age. Poster presented at the 2014 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Philadelphia, PA.

Kuckertz, J. M., Carmona, A. R., Chang, S., Piacentini, J., & Amir, N. (2014, November). Automatic approach and avoidance tendencies in anxious youths and their parents. Poster presented at the 61st Annual Meeting of the *American Academy of Child and Adolescent Psychiatry*, San Diego, CA.

Kuckertz, J. M., Ulloa, E. C., Goldenberg, S. M., Silverman, J. G., & Ulibarri, M. D. (2014, September). Survivors' perspectives on prevention of commercial sexual exploitation of children. Poster presented at the 19th Annual *International Conference and Summit on Violence, Abuse, and Trauma*, San Diego, CA.

Najmi, S., Kuckertz, J. M. & Amir, N. (2014, July). What makes a good exposure? Poster presented at the 2014 Annual Conference of the *International Obsessive Compulsive Disorder Foundation*, Los Angeles, IL.

Kuckertz, J. M., Carmona, A. R., Chang, S., Piacentini, J., & Amir, N. (2014, March). The effects of development on automatic behavioral responses in clinically anxious youths and their parents. Poster presented at the 2014 Annual Conference of the *Anxiety and Depression Association of America*, Chicago, IL.

Carmona, A. R., Kuckertz, J. M., Suway, J., Chang, S., Piacentini, J., & Amir, N. (2014, March). The relationship between cross-generational attention biases and youth anxiety. Poster presented at the 2014 Annual Conference of the *Anxiety and Depression Association of America*, Chicago, IL.

Stoermann, A. M., Kuckertz, J. M., & Amir, N. (2014, March). Attention training and facilitation of social behavior in socially anxiety disorder. Poster presented at the 2014 Annual Conference of the *Anxiety and Depression Association of America*, Chicago, IL.

Kuckertz, J. M., Johnson, E. J., Carmona, A. R., Garcia, R., Chang, S., Piacentini, J., & Amir, N. (2013, November). Attention training for anxious youth and their parents. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.

Kuckertz, J. M., Warren, C. K., & Amir, N. (2013, November). Measurement of interpretation bias in obsessive-compulsive disorder. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.

Kuckertz, J. M., van Essen, M. J., Strege, M. V., & Amir, N. (2013, November). Automatic action tendencies in social anxiety disorder. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.

- Strege, M. V., Kuckertz, J. M., Moss, J., Coronado, C., Stoermann, A, M., & Amir, N. (2013, November). A new method of attention training in social anxiety disorder. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.
- Kinney, K. L., Kuckertz, J. M., & Amir, N. (2013, November). The role of threat-specific biases and general cognitive processing deficits in generalized anxiety disorder. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.
- Warren, C. K., Conley, S. L., Kuckertz, J. M., & Amir, N. (2013, November). The effect of attention control training on treatment efficacy in obsessive-compulsive disorder. Poster presented at the 2013 Annual Convention of the *Association for Behavioral and Cognitive Therapies*, Nashville, TN.
